

# Account Alerts Made Easy

AMERANT

At Amerant, we want to make things a little easier for you and want to reassure you that we remain committed to serving all your financial needs. Part of being committed is ensuring that you have the tools available to make your financial experience as easy and secure as possible.

When you are enrolled in **Personal Online Banking** and set up your personalized **Alert and Notification preferences**, we can keep you up to date when there is activity in your account. We can notify you about changes to your account balance, debits, checks paid, Debit Card/ATM transactions activity and more.

Take advantage of the Alerts and Notifications feature through Personal Online Banking, by following these easy steps:

**1.** Log into  
Online Banking

**2.** Go to Alerts  
and Notifications

**3.** Click Account  
Notifications &  
Security Alerts

**4.** Click on  
Manage  
Notifications

**5.** Click on  
Create a New  
Notification

**6.** Select your  
Alert  
Preferences
